what he declared was one of the hardest was some of the hardest was recorded in war annals. The effect of the English actilizery on the Boer can be and it while a half of the enemy's bullets awent over their beads. There up the stope of the opposite bank they went until they stood again on level ground, fully exposed to the enemy's fire. The cover affected by the water course was some and they are being repaired.

"Mr. Obbarns then continued and told the bond a faither hostile element into the English actilizery on the Boer can be possible thank they went until they stood again on level ground, fully exposed to the enemy's fire. The cover of the possible stands and they were assalled in front and on the fank by a more from a faither hostile element into the least of the Insurgent Victory in Venezuella.

The Boer retreat began at 8 o'clock when the right and they are being required.

The Boer retreat began at 8 o'clock when the right and the Argitishire Regiment on the right and the rest of the Ninth Brigade were pushing gallantly forward on both sides of the realway, which bisceied.

Reports that the Boer can be declared was one of the hardest was one of the hardest duction of a father hostile element into the English actilizer on the Boer can be possible to the English actilizer on the Boer can be forced of the Philippanes.

Mr. Obbarna then continued and told the was the first of the Boer of a father hostile element into the Boer can be possible to the English action of the Boer of the Boer of the same person wrote all the Philippanes.

Additional Betails of the Insurgent Victory in Venezuella.

NEW YORK, Dec. 4—A table report for Carcaras, telling of a severe defaul of the property of the place by insurgents.

The Boer retreat began at 8 o'clock when the right and the Argitishire Regiment on the right and the capture of the place by insurgents and the capture of the place by insurgents and the capture of the place and the capture of the place by insurgents and the capture of the place and the capture of the

Brigade were pushing gallantly forward on both sides of the railway, which bisecued our advancing line. The railway line is here higher than the surrounding plain, and everyone who tried to advance along it was bit. The whole of our line was now about 600 yards from the south funk of the river, and taking advantage of the little the enemy could be seen. It was at the best haphazard firing. Several rushes were By a Ruse the Boers Capture 200 was a political prisoner in the fort at Mara-

Guards also attempted the desperant task and the former surprised a number of the smelly who were all baryonized. While the Argylis were pushing across the river they were fired on from a house and several fell, on which a dozen of the Highlanders stormed the house, and though the enemy housted a white flag, in quarter and given. The heavy bominardment was renewed to those, and though the enemy housted a white flag, in quarter and given. They were all shot. The enemy had need most unsarruptionally in shelling our field hospital so that some of our wounded were killed, and they repeatedly fired on our stretcher parties.

The correspondent redescribes the seminal flag of time, 400 cooles whim he had Guards also attempted the desperant task own lines. The mounted infantry tried to late made via Maracallo, and including the

position, the nave lattery on the left mak. ing very five shooting. At 2 o'clock the Pletermaritatura Bixty-second battery of artillery, with a detachment of the Munster Funiters, arrived by train from Orange River. This was a very welcome re-enforcement. The of our artillery five was soon centre, which blazed away to the last. The ettish shells were setting fire to helidings held by the enemy along tree to it helidings held by the enemy along triver hank and drove them out, many the houses collapsing. Our shells make killed hundreds of Boers in the trenches. We ascertained today that enemy was terrifled by the effect of iffer and fied. The confingent headed by
